SCC Practice Ice Policy

Purpose:

Make practice ice fair, transparent, and conflict-free without favoring any current league schedule.

1. Who books what

- Draw Chair: all league games and practice ice

2. How to request practice ice

- Submit in writing to Draw Chair at least 7 days ahead with team, date/time needed, and contact. No verbal holds. During league play, Draw Chair checks with Bonspiel & Special Events and the League Convener within 48h. Ice chair is also to be notified in an event that no scheduled leagues or events are listed.
- Where no leagues, bonspiels, or special events are scheduled for the requested ice time, the Ice Chair shall be notified of the proposed booking.

3. Who gets priority

- When requests conflict: (1st) scheduled league games, (2nd) playoff/make-up games, (3rd) club programs, (4th) member team practice, (5th) individual practice/rentals.

4. Right of first refusal

- Leagues keep their regular time slots. If not needed, that ice reverts to the club 72h before game time and becomes bookable practice ice on a first-come basis.

5. Limits and cancellations

- Max 1 sheet / 2 hrs per team per week in-season to share prime time. Cancel at least 24h ahead so ice can be reallocated. Two no-shows in a season suspends practice booking privileges.

6. Disputes

- Draw Chair has final say on games/practice. Appeal only to Board.
